Hi Carley, it's been a very busy week for me and I haven't had a chance to speak with Debbie yet about this. My preliminary view is that DEP's potential coordination of an ACO at this time with the purported buyer is premature and inconsistent with the approach and process that the parties have agreed to in the MOA. I'd be happy to discuss further with you early next week. Are you free on Monday?

Frances

**Subject:** FW: Syncon Resins

Hi Frances:

There seems to be a lot of misunderstanding regarding the potential of the purported buyer to move forward with the purchase of the Site. If the buyer is legitimate, NJDEP would like to coordinate any agreements with EPA and the Town of Kearny. So that everyone is on the same page, it might be best to have a call with the buyer's attorneys, us, and Jim Bruno – what do you think? Happy to chat with you this week if you have time.

Thanks,  
Carley

Good morning Carley. Thanks for this, it was helpful. I've conferred with our clients and they are prepared to go forward with a Pre-Purchaser ACO. Where I think we left it is that I was to address this question and then we would try

to arrange a meeting to discuss access, background documentation, etc. How can we move this forward? Thanks again for your assistance. Jeff

Jeff:

It was nice speaking with you earlier. I wanted to provide some prior communications, which outline some of the issues we briefly discussed. I now see that you were not originally included on these communications. I hope you find the information helpful.

Thanks,  
Carley
